HUNTLY

This 3 bedroom weather board home is filled with original charm. The entrance is large with decorative cornices leading to the spacious kitchen. Double doors open into the separate lounge room which can also be accessed from the entrance. The bedrooms are all of excellent size. An undercover entertaining area and second toilet outside complete this home but to top it off there is a good quality shed with two carport spaces on the block, which is over quarter of an acre, with rear and side access.
