

LUKE GOGGIN REAL ESTATE

White Hills

Only a short drive to all amenities is this very well presented and priced home. The property has 3 bedrooms, the main with and ensuite & BIRs.

There are beautiful polished floors throughout, a renovated bathroom, great kitchen meals area, large separate lounge, ducted cooling and gas heating. Outside you have a nice decking that has plenty of room for that BBQ. Single carport, double lock up shed, all good fencing and a very neat and established garden. Inspection will impress.
