Along with town being just a stones throw away this is your big chance to have the comfort and lifestyle that goes along with it. This amazing modern and stylish home is light filled in every corner, loaded with quality fixtures and fittings throughout to accommodate every mood and living style. The kitchen is well equipped and features quality stainless steel appliances, sleek cabinetry and a curved practical workbench. It adjoins the spacious dining area and family room, where huge windows frame the tranquil eye catching views of the beautiful, very well planned landscaped garden. The huge formal lounge is quite accommodating to large numbers yet still very comfortable to one or a few, and provides good privacy and space from the main living area.
